Wishing You a Connected Holiday Season

Technology Necessities Bring Your Tablets, Smartphones and Cell Phones to Life

Whether you're using your GPS to get to Grandma's house, taking cell phone pictures of festive lights and decorations or calling and texting friends to wish them Happy Holidays, staying connected is a holiday must.

This holiday season help family, friends and co-workers stay connected at home, in the office or on the go by connecting your wish list with the technology necessity of the holiday season.

- **Phone Suite- Smartphone Case and Battery Extender**

Smartphone aren't only changing the way people communicate and stay connected, they are also changing the way people shop. According to Deloitte 2011 Annual Holiday Survey, 27% of smartphone owners *will* use their devices for holiday shopping this year.

PhoneSuit, www.PhoneSuit.com, develops protection accessories for Apple, Blackberry, Android smartphones & tablets that also charges your gadgets battery. PhoneSuit's battery cases can provide a full, complete, 100% charge to smartphones or tablets to insure users have the tools they need find store locations, use coupon apps and make mobile purchases.

- **Belkin iPad 2 Fridge Mount**

The kitchen is the social hub during the holidays. Whether you are spending hours preparing seasonal treats or gathered around the table for a holiday meal, the kitchen is the central gathering place for most families.

The Fridge Mount lets you conveniently position your iPad 2 to a fridge, cabinet or wall. The minimalist design stylishly keeps the iPad 2 safe and secure, while you read recipes, watch your favorite holiday program while baking cookies or play music during a meal. The iPad 2 Fridge Mount can be found at www.Belkin.com

- **Wi-Ex zBoost Suite of Cell Phone Signal Boosters**

The hottest gadgets this holiday season are sure to include iPhone 4S, the latest Driods and tablets, such as, iPad 2 and the Kindle Fire. Despite preference or brand loyalty, these gadgets all require one thing to ensure maximum performance, strong signal!

According to the annual zBoost State of the Signal Survey commissioned by Wi-Ex and conducted online by Harris Interactive in April 2011, 65 percent of online cell phone/smartphone owners experience problems with their cell phone or smartphone service

including dropped calls or data, poor reception or dead zones in their home or poor signal reception or dead zones at work

The zBoost suite of cell phone signal boosters, manufactured by www.Wi-Ex.com, reduces dropped and missed calls while increasing signal for voice, text and data. With signal boosters for your home, office and car, zBoost keeps tech enthusiast connected, not just during the holiday but year round.
